

# All-American Kids Awards 2010 Nomination Form

**B**ank of Quincy and the Quincy Society of Fine Arts want you to help us find three ALL-AMERICAN KIDS. We would like your nominations for young people up to and including age 14 who have challenged themselves to achieve excellence in one of the following categories:

1. **ARTS/HUMANITIES**: An award for a student with exceptional skill in the language, visual or performing arts. The winner may be distinguished in the disciplines of history or literature.
2. **MATHEMATICAL/NATURAL SCIENCE**: An award for a student whose curiosity has led to outstanding achievement in the exploration and discovery of the environment.
3. **SPORTS**: An award for a student who has been challenged by athletics and turned dreams and goals into concrete reality.

Anyone may propose a candidate for an All-American Kid Award. However, it is highly recommended that the nominee be nominated by a non-relative such as school personnel, a coach or instructor.
